WORDS BY DUŠAN KOCHOL FOR LÁV MAGAZINE

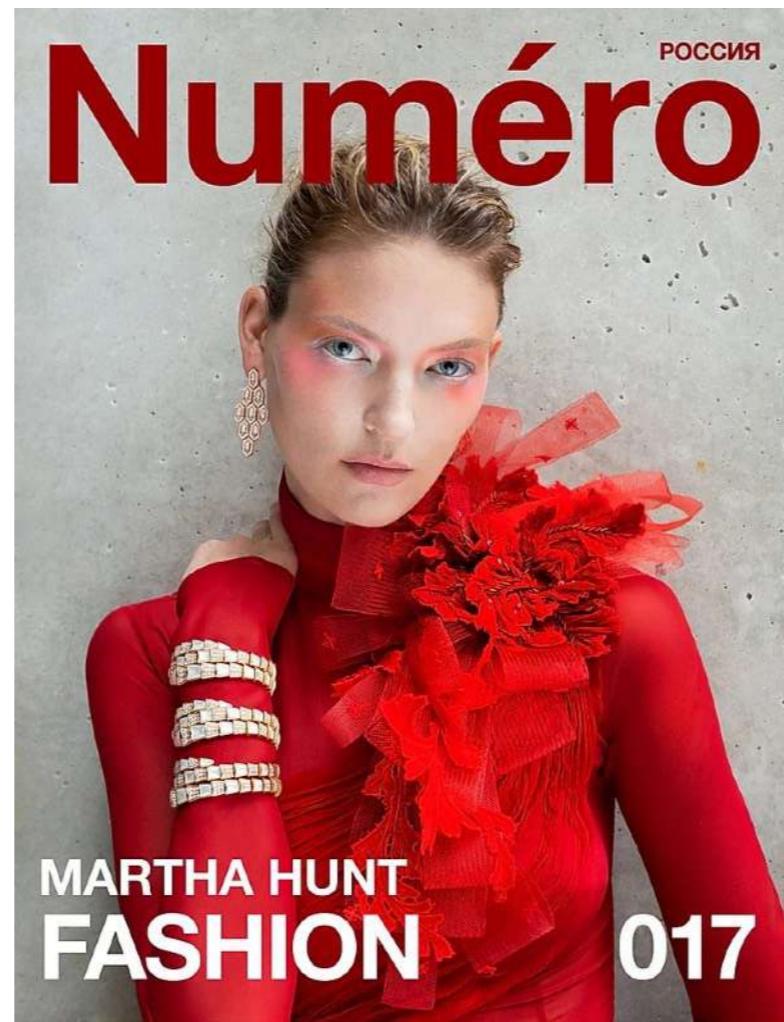

When looking at Eliška Sky's photographs, we feel that her uniqueness comes from her ability to see things differently from the rest of us. Her strong sense of colours, shapes and theatricality is extraordinary. This theatricality evokes contemporary modern dance performance. Her reflections about beauty and play of colour invite us to contemplation and meditation.

“I LIKE TO CREATE SURREALISTIC & INCLUSIVE WORK WHERE EVERYONE IS INVITED TO DREAM & CELEBRATE DIVERSITY OF BEAUTY.”

MY NAME IS ELIŠKA SKY AND I AM ART DIRECTOR, PHOTOGRAPHER & MOVING IMAGE DIRECTOR BASED IN LONDON.
